

About Community Development and Health Network (CDHN)

CDHN is a network of individuals and organisations which promotes understanding of community development as an effective way to end health inequalities. Our network is creating a fairer and more equal society where communities enjoy the best possible health. We create opportunities for individuals and organisations to connect and share experiences from each other and learn. We support communities to find their voice and use their expertise and experience to inform decision making and we provide examples of the best ways to tackle health inequality.
