Community Development  
& Health Network

## Co-Production

**Community co-production for improved health and wellbeing**

This training introduces participants to the practice and principles of co-production within a community setting. This is useful to people, volunteers, or group members who are involved in community activities.

Member £50.00

Non Member £60.00

Accreditation £30.00 per participant (Optional)

---

Date: 4th October 2017
