CDHN STATEMENT OF VALUES

OUR VISION

Is for an end to health inequalities.

OUR MISSION

Is building a fairer and more equal society, and improving people's lives, health and well-being through community development which releases individual and community capacity and influences change.

OUR VALUES

Leading with passion

In all our work we will lead with passion using our expertise and belief in what we are doing to inspire others.

Tenacity and flexibility

We will be tenacious, focused and flexible to ensure an end to health inequalities.

Integrity and Respect

Through our words and actions we will work with integrity and respect.

Equality and Inclusivity

We will recognise and promote equality and inclusivity to ensure we achieve social justice for all.

Valuing others

We will value individuals, teams, partners and communities recognising this as a key strength to achieving our vision.
